Sir:

Introductory Comments

This is a submission accompanying a request for continued examination under 37 CFR 1.114 of the above-referenced pending United States patent application.

Applicant respectfully notes that in an advisory action dated 2 March 2006, the examiner noted that the amendment after final rejection dated 25 January 2006 and filed on 27 January 2006 had not been entered on the grounds that the amendment allegedly raised new issues requiring further consideration or search, raised an issue of new matter, and was not deemed to
